

## NWAAPM Meeting on Friday October 24, 2025

**Location:** The Museum of Flight, 9404 E. Marginal Way South, Seattle, WA 98108

**Vendor Room (View Lounge):** The View Lounge is a short walk from the Skyline Room where the meeting talks will be taking place. The furniture layout for the vendor hall has been requested to have vendor tables and chairs around the perimeter of the room. The pictures below are provided to give an idea of the space. Food, beverages, and table with seating will also be located in the View Lounge to draw and encourage attendee engagement with vendors during breaks and lunch.

## Auditorium for Meeting Presentations (Skyline Room)

**Agenda and Food/refreshments:** Though our agenda is not yet finalized, we do know that the agenda will feature talks from previous AAPM President Dr. John Bayouth of OHSU, current AAPM President-Elect Robin Miller of Northwest Medical Physics Center, and AAMD President Ryan Moroose of WVU Medicine Thomas Hospitals! We intend to have a continental breakfast at the start of the meeting, two snack/coffee/refreshment breaks, and a lunch break. Vendors are invited to share all food and meeting refreshments!

**Shipping information Per Museum of Flight:** Any shipments will want to be sent to 9404 E Marginal Way S., Seattle, WA 98108. The package will want to include the following information:

- Vendor (company) name
- Event name listed or written somewhere on the package (NWAAPM 2025 Fall Chapter Meeting)

Please address the package to Katy Verevkina and/or "Private Events"

Packages should arrive no sooner than one week before the date of the event. The Museum of Flight can ship back any items as well, as long as the vendor provides a shipping label. We receive deliveries / pick ups from UPS, USPS, and FedEx (although I think FedEx outgoing shipments need to be scheduled).

**Hotel Info:** We have a courtesy block of rooms at the Seattle Airport Marriott which is very close to SeaTac and a short 10-15 minute drive to the Museum of Flight.

Here is the link to book your rooms: <https://book.passkey.com/e/51075648>

This block will cut off on October 2<sup>nd</sup> 3 weeks before the meeting date, so when we reach the cut-off date, any rooms that have not booked will just go back to the hotel inventory.

**Parking:** All Parking is free at the Museum of Flight:

Here is the link to their parking and directions webpage: <https://www.museumofflight.org/visit/parking-and-directions>

**Vendor Bingo:** We will be offering vendor “bingo,” as in previous years. Attendees will receive a “bingo” card and will be asked to collect stamps as they engage with vendors. Attendees who attain a sufficient number of stamps may enter their card in a raffle for a chance to win a prize at the conclusion of the meeting. The chapter will provide ink pads and custom stamps for this purpose (please be sure to return these to a member of EXCOM at the end of the meeting).

**Speaker and Vendor dinner:** We're inviting our meeting speakers and all of our supporting vendor partners to join us for dinner and socializing the evening before the conference. We'll meet at 6PM on Thursday, October 23<sup>rd</sup> at Elliott Bay Brewing – Burien, located at 255 SW 152nd St, Burien, WA 98166. Please let us know by October 10<sup>th</sup> if you'll have a representative who is able to join us so we can finalize a headcount for the restaurant. We hope to see you there!

**Post-conference gathering:** Please join us immediately after the conference for a social event and reception. This will also be hosted onsite at the museum of Flight. Light appetizers and refreshments will be provided.
